Dear Friends in Christ,

As we begin the Advent Season, I want to ask you all to do something which is practically very difficult and deeply counter-cultural: let Advent be a time of deepened personal prayer, repentance and rededication of your life to Christ.

There is a wonderful saying: "Jesus is the Reason for the Season". Unfortunately, the season surrounding the celebration of his birth has largely come to be focused on everything except Jesus. So I invite you all to set aside daily family prayer time to focus on the birth of Jesus and his presence in our lives and in our world.

Speaking of rededication, I have a personal date that I want to ask you in helping me to celebrate. On December 17, 1986 I knelt at the bottom of the chancel steps here at Trinity and was ordained a priest. That was 25 years ago. I am deeply grateful for the privilege of serving the Lord and his people both here and at another parish for the past quarter century. I am also particularly grateful for the ministry of this parish which gave me such a warm welcome and good beginning in ministry as my first parish after leaving seminary. And grateful that you welcomed me back when Fr. Howard retired twelve years later.

Therefore, on Sunday, December 18, I want to celebrate my 25 years of ordained ministry here in the same place it began. God-willing, Bishop Josiah Fearon (from our partner diocese in Kaduna, Nigeria) will be here to preach that day and to lead me in a renewal of my ordination vows. I want to invite all of you to pray with me on this anniversary and to celebrate afterwards.

To help us all celebrate together, we are combining all of our Sunday morning services into one "Family Reunion" worship service at 10:00 AM, followed by a meal in the parish hall. Please join us for a time of fellowship and parish community time.

Yours in Christ,

Fr. Tom

The deadline for all articles for the **January** issue of the Trinity Times is **December 11th**.

This year the Annual Meeting will be held on Sunday January 29th after the 10:30 am. Service.

All ministry reports for the Annual Report will need to be e-mailed to the office by Friday January 13th.

Thank You

Dear Trinity family,

It's hard to find the words to say how thankful we are for all of you. We are truly blessed by our Trinity family, who loved and cared and supported us in so many ways during Alex' unexpected surgery and recovery. We almost lost count of the many prayers, cards, calls, visits and not least, yummy food!

Alex is starting to feel more like his old self, and we are thankful to God for his journey through recovery.

*Blessings and love to you all,
Alex and Sonia Bayne*

OUR HEALING MINISTRY

Advent is a season of expectation. We are looking forward to the birth of the special child that embodies God's love and mercy for all humanity. It is also a crazy busy time of year filled with parties, gift buying, celebration, cookie baking, and Christmas card mailing.

In the midst of the happy chaos, I invite you to join the Healing Ministry in our Annual Service of Healing on

Tuesday, December 13th at 7pm.

This is a wonderful and reflective service for anyone who wants to just take a breath and pause during this busy time of year. It is especially lovely for people who may be grieving a loss or facing challenges in the middle of the holiday festivities. If you are looking for a way to participate in the act of expectation during Advent, this service is for you.

The Love That Lives

*Every child on earth is holy,
Every crib is a manger lowly,
Every home is a stable dim.
Every kind word is a hymn
Every star is God's own gem,
And every town is Bethlehem,
For Christ is born and born again,
When His love lives in hearts of men.*

***“Come unto me, all ye that travail

Matthew 11:28

An Advent Examination of Conscience

“Let us not skip Advent on the way to Christmas. Arriving at Christmas Day without having lived out one’s Advent would be like arriving at a birthday party without having bathed or dressed up for the occasion. It would be like coming to the party without a gift for the one Whose birth we are celebrating.

For truly, the only gift He wants, is our repentance and holiness of life. The present to delight Him is to see the wonderful change in us when we arrive.”

An examination of conscience is a way to hold ourselves accountable before God and each other for living in a way that is true to our intent. It encourages Christians to reflect upon their lives, as a stepping stone to living a more virtuous life. It is a beautiful way to get the most out of this time of Advent in preparation for welcoming Jesus at Christmas.

Summer Music Program

Let's Sing had to be canceled but *Let's Ring* was a lot of fun. Seen here is the older division but earlier in the day the first graders had hands on ringing which turned into a parents/children ring-along. Parents and children had a great time— and learned a little about bell ringing, too! The sessions wouldn't have been complete without one of their all time favorite activities— snack and fellowship.

The Adult Summer Music Workshops brought in a couple of new singers and some of our current members took advantage of the extra sessions on the History of Notation, Basis Theory, Sight-singing and Voice lessons.

Below, Jane Martin (right) demonstrates to Jayne Kingston some techniques of good breath control.

There was an interest for these workshops to be held again next summer. So you can brush up on your music basics and feel prepared to join one of the choirs next fall.

Sing a joyful noise unto the Lord!

Trinity's Youth Ministry

Merry Christmas from the Youth Group!

Youth Group has been an amazing and growing force. With each and every new meeting I can see the love of God being spread through our students and leaders.

As the Holidays approach and our hearts are filled with joy I am pleased to announce that :

in January, the Middle School Youth Group will begin to include the 6th grade.

Coming up in Youth Group:

In preparation for the busy holiday season we will be having a

Family Youth Group on December 18th 6:30 - 8:00 pm.

For all youth group ages, grades 7 - 12! Parents and siblings are welcome to join us as we take a moment off from the chaos of the Christmas season and grow together in Christ's love

There is no Youth Group on Christmas...but you probably already knew that one.

While Jesus is at the center of all of our Christmas traditions there is still one other tradition that gets a lot of attention. Gifts. **So this year as we are making our Christmas gift wish list please consider putting your faith at front of that list. It's not too early to begin to think about our end of the school year trips. The ability to join in on our YG Retreat and Mission Trip this year makes for an amazing gift.**

Blessings, Nicole Dalto

Thank You! Thank You! Thank You!

On behalf of our youth, I would like to thank all of our Trinity parishioners who helped us during the month of October with our Pumpkin Patch fundraiser. Every year I am continuously touched by the many people who give of their time, and talents to help with our Pumpkin Patch project; along with the many families that have chosen to return to the patch year after year to purchase their pumpkins.

This year for the very first time we have been recognized by United States Postal Service with a hand delivered letter to us at the patch, addressed to The Great Pumpkin! A little girl sent us a note stating she felt it was time to write to us and hoped we were doing well; along with a request for a small toy to be sent to her by mail, because she would not be able to sit at the patch and wait. I sent her a small toy with the pumpkin prayer.

October was a month that presented itself with beautiful weather right up into the last weekend where we were hit with a record setting snowstorm that will be remembered for sometime. Despite the fact of loosing our best sale days of our fundraiser, we had another successful year with our sales totaling \$17,753.00, that is \$570.00 MORE than last year! This has yielded a profit of \$6,143.25.

This money will be used to help support our youth mission trip for 2012, and your support is no small part to our annual success. Thanks so much for helping! God Bless You All!

A Wonderful Message From Max Lucado

Dear Friend,

Do any of these words describe you? Hurried. Scattered. Stuffed. Forgetful. Busy. Packing. Behind. Broke. If they do, you aren't alone. Christmas is our annual reminder of why Santa takes the sleigh rather than the interstate and how the mall got its name.

For some, however, this time of year brings more than hassle...for some it brings heartache. Many use words like these to capture their Christmas feelings: alone, discouraged, depressed, angry, hurt. For some, the sight of happy children is a reminder of a vacant crib. The busy social schedule of some only highlights the empty calendar of others. Images of families together reinforces the pain of families apart.

This season can be challenging. If you're looking forward to December 26th more than December 25th, then I've got a story for you to consider. I'd like you to consider God's invitation to one of the key characters of Christmas: Mary.

“Do not be afraid,” the angel told her, “for you have found favor with God. And behold you will conceive in your womb and bear a son, and you shall name Him Jesus.” ...Mary said to the angel, “How can this be since I am a virgin?” The angel answered and said to her, “The Holy Spirit will come upon you, and the power of the Most High will overshadow you; and for that reason the holy child shall be called the Son of God.” (Lk. 1:30, 31, 34, 35)

Mary could have spun and run, but she didn't. Here is what she did. Perhaps with a prayer, no doubt with a gulp, she replied, “Behold the bondservant of the Lord; may it be done to me according to your word.” (Lk. 1:38)

And so it was.

And so Christ was born.

And so we have to wonder. What was that like?

To have God within you. To have the Maker of the Universe reside inside you. To sense his moving, nudging and elbowing and think, “Divinity is stirring within me!” What was it like?

The answer is closer than you might imagine.

God gives you the same offer He gave Mary: the supernatural deposit of His son in your life. Scripture declares: Jesus lives in His children.

“Christ in you the hope of glory.” (Col. 1:27)

“Those who obey His commands live in Him and He in them.” (I Jn. 3:24)

Take note of the precious preposition “in.” Christ isn't just near you or for you or with you; he longs to be in you. God offers you the same Christmas gift he gave Mary-- the indwelling Christ. Christ grew in her until he came out. Christ will grow in you until the same occurs. Christ will come out in your speech, in your actions, in your decisions. Every place you live will be a Bethlehem and everyday you live will be a Christmas. You, like Mary, will deliver Christ into the world.

A fetus in Mary, a force in you. He will do what you cannot do. Wasn't this the promise of Jesus?

The same hand that pushed the rock from the tomb can shove away your discouragement. The same power that stirred the still heart of Christ, can stir your flagging faith. The same strength that put Satan on his heels can, and will, defeat Satan in your life. The same power which brought Christ into Mary's world, will bring Christ into your world.

Trinity Church Prayer Calendar for December 2011

Dear Lord, may the true meaning of Christ's birth surround us at this season. May our days be guided by the simple truth of a baby, born on earth, to change us all: and may the dark cold days of winter be warmed by your light.

December 4

Lord Jesus, we thank you for the gift of music, and for the dedication, talents and hard work of our choirs and musicians. We give thanks for all they do to enrich our lives and lift our spirits each week. Be with all our musicians as they perform in celebration of this glorious season.

We pray also for those who visit our church during this Christmas season, that their hearts may be touched by this glorious reminder of your birth.

"Go tell it on the mountain, over the hills and everywhere; go tell it on the mountain that Jesus Christ is born." African-American spiritual, 1865

December 11

We pray for our families and all our loved ones. Watching the children of Trinity perform the Christmas pageant reminds us of the miracle of the Nativity, and so we give thanks for all those whose hard work brings us this yearly reminder of your gift.

The holidays bring many memories that can be joyful or painful, and so we lift up into your healing light all those who have suffered loss. We pray that Trinity's service for healing of grief and loss will bring comfort to all those who are lonely, sad, or hurting.

"Blessed are those who mourn, for they shall be comforted." Matthew 5:4

December 18

As we celebrate with Father Tom the 25th anniversary of his ordination, we give thanks that you called and equipped him for the work of ministry.

Thank you, Lord, for the dedication, leadership and teaching that he has brought us over the years. We ask for your blessing and empowerment and grace on him as he continues to serve you.

"Then I heard the voice of the Lord saying, 'Whom shall I send? And who will go for us?' And I said, 'Here am I. Send me!'" Isaiah 6:8

December 25

We reflect on the miracle of the high and mighty Creator of the universe who humbled himself to be born as a helpless baby, as we ourselves are born.

Son of God, child of Mary, born in a stable in Bethlehem, be born in us again this day that through us, the world may know the wonder of your love.

"The Word became flesh, and dwelt among us, and we have seen his glory."
John 1:14
